"To be completely honest with you, I thought my boyfriend was going to propose to me on the cruise ship," Riley told us. "He was like, 'Babe, I have something to ask you.' I started getting nervous. Then he said, 'Can I shoot naked pictures of you for a magazine?' I was kind of relieved. I love him, but I'm not ready to get married. I smiled and told him that of course he could shoot nudes of me."

"I never leave home without a sex toy," Riley explained. "You never know when you're going to need to get off. It was awkward going through TSA security because I forgot I left my dildo in my purse, but luckily they didn't see it!"

Kiley

Albuquerque, New Mexico

Student
Age: 19
Born: November 24
Ht: 4'11"
Wt: 80 pounds

Bras: 34B
Panties: Tiny thongs
Anal: Not yet
BJs: Cum on my face
Masturbate: Yes!

Kiley is fresh out of high school, which makes her happy. "My high school experience was great because I met my best friend there. We're really tight. We were on the color guard together. I also managed the football and basketball teams. But I'm happy I graduated and I can leave that behind. I'm ready for the next stage in my life."

Kiley says that if the sports players who she managed in high school see her fucking on-camera, they'll probably freak out. "I would flirt with all of the guys I managed, but I only let a couple of them fuck me. I liked to tease them that if they won the game, I'd let them gangbang me. Of course, I never did. After they'd win, they'd tell me that I'd better pay up. I'd laugh a little and blush, but I have to admit that I was tempted to follow them into the locker room and let them take turns in my pussy and mouth. I still masturbate to that fantasy of them using me."

Not Just a Paycheck

"I'm not a prude. If I can fuck thick dicks and get paid for it, why wouldn't I? That's why when I saw your ad, I jumped at the opportunity to be in NN."

NO FAP?

Fapping means masturbation. Breaking into the mainstream lexicon a few years ago with The Fappening, portmanteau of "fap" and "happening," the nude celebrity scandal cemented the term in popular culture. But there's a growing movement to get people to stop fapping. They contend that masturbation is a compulsive sexual behavior rather than a healthy practice to release some pressure. They also assert that ceasing masturbation will lead to increased testosterone, more confidence, and some people have reported, experiencing spiritual awakenings. Obviously, the science is limited on this topic. Some things that have been scientifically proven are that masturbating releases dopamine, helps you sleep, reduces stress, and relieves muscle tension. Marc Garnick, M.D., Editor in Chief of Harvard Medical School's Annual Report on Prostate Diseases even goes so far to say that men who ejaculated 21 or more times a month have a 33% lower risk of prostate cancer compared with men who reported four to seven ejaculations a month. Readers, we trust you to make up your own minds about your fapping habits.

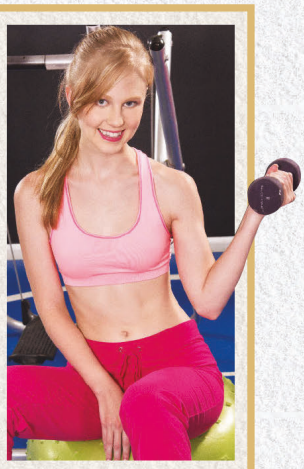
FOUR WAYS TO PROTECT YOUR PROSTATE

-Keep active. Lose your belly fat and get exercise every day.

-Stick to a low-fat diet. Switch some red meat to fish.

-Make sure to get five or more servings of veggies a day.

-If you drink, two glasses of alcohol per day can actually help your prostate health.



Eat and exercise your way to a healthier sex life

LETTERS

HOT IN THE SNOW

Dear Naughtymag,

I did something bad. I can't get it out of my head no matter how many times I try. Maybe it's obvious, but I definitely can't share it with my husband because it involves the only time I've ever been unfaithful to him. I also can't tell him because he would be devastated to learn that the best sex I've ever had in my life wasn't with him.

My husband was really sweet to me. He whisked me away for a ski trip in Canada. I don't want to go into detail about where because I can't risk anybody I know finding out

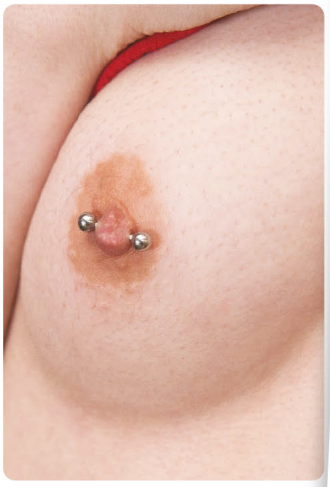
Ember

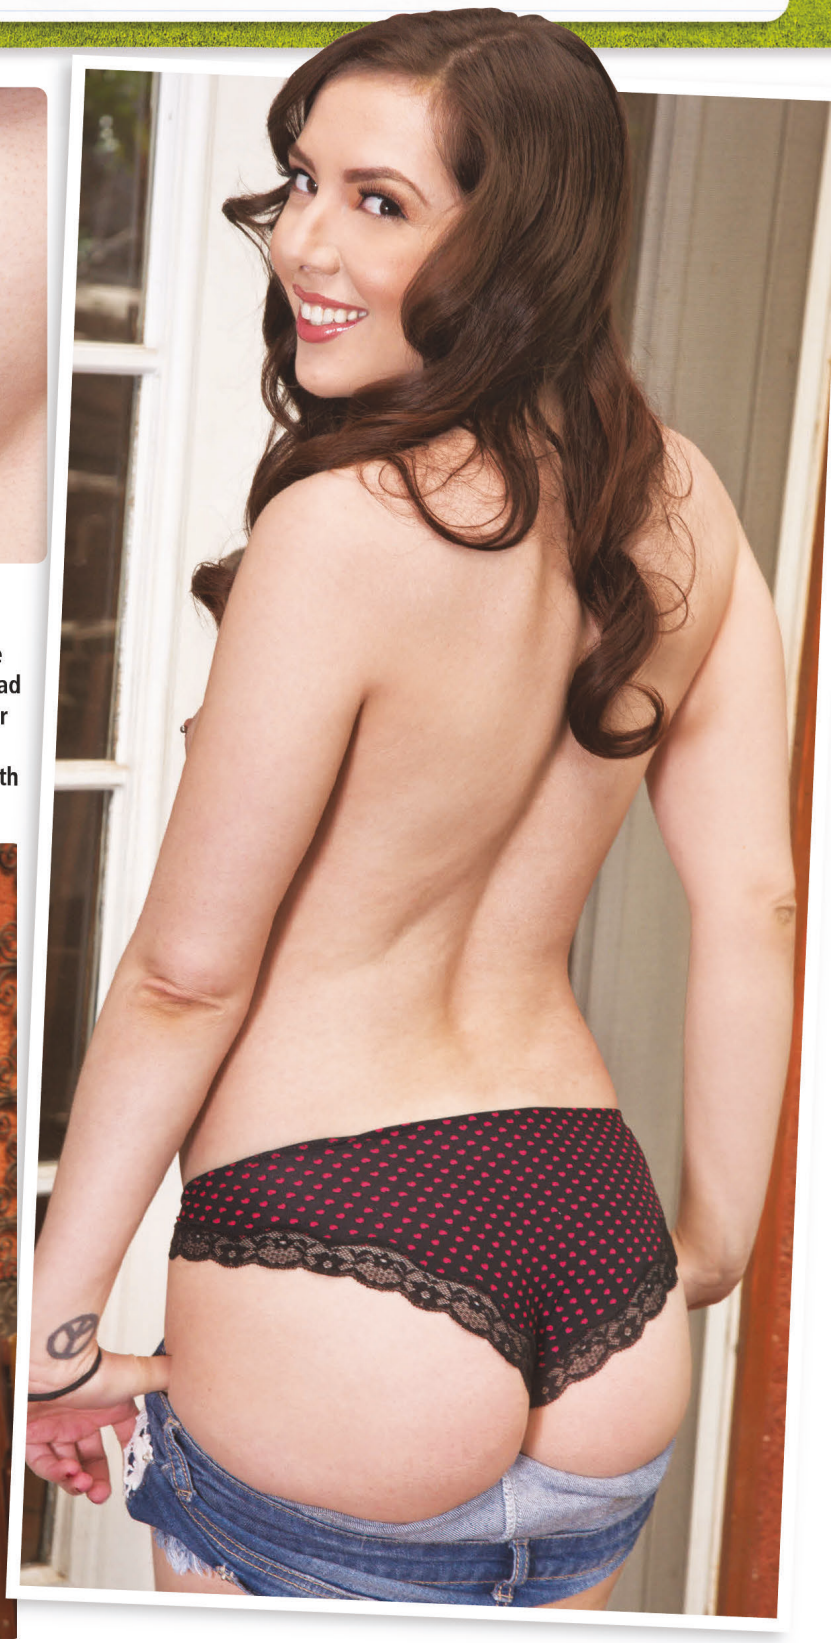
Las Vegas, Nevada

Chocolatier
Age: 24
Born: June 12
Ht: 5'4"
Wt: 120 pounds

Bras: 34B
Panties: Lace
Anal: When I'm in the mood
BJs: Swallow
Masturbate: Daily



"I was a shy band geek in school, but I had a slutty streak," Ember told us. "I've never been timid in bed. I had anal sex before I had regular sex. And I fucked all of my good friends in the band with me. I love being sensual."



"I masturbate daily. Sometimes I'll do it two or three times in a day. I use my vibrator when I crave deep penetration, but I usually just use my Hitachi Wand. That thing makes me cum so fast, it's kinda scary. I can't count how many times I can cum in a row. I lose track around eight or nine, but the most I've had was around 20. I was completely useless the next day. My legs were jelly, my abs hurt from clenching so much, and my nipples were sensitive because I was squeezing them."

Sharing is Caring
"I've had bunches of three-somes. My favorite way is with two guys. I love the ladies, but I hate sharing cock. I let the guys work out what goes where and when they switch. I have yet to hear any complaints."

Melody

Los Angeles, California

Barista
Age: 21
Born: November 11
Ht: 5'4"
Wt: 111 pounds
Bras: 34A
Panties: I like cheekies
Anal: I can cum from it
BJs: Swallow
Masturbate: Every day

"I'm normally pretty passive," the cute half-Japanese cutie Melody told us. "But I become more assertive and bold as I get to know a guy. If I'm comfortable, I can be pretty kinky."

"I only have sex with people that I'm dating. I'm not a prude, and I'm not ashamed of my sexuality, but I think that guys have to earn that intimacy. Once I get to know him, I'll pretty much do anything, though. I'm intrigued by public sex, but I've only tried it once. We screwed down by a river. I squirted everywhere because I was so turned on. I found it romantic and titillating, but my partner at the time was too paranoid of being seen to really enjoy it. I'd like to find a more-adventurous guy."

Face Down, Ass Up
"I love anal, and I can even cum from it if I rub my clit, too. I can only handle it in doggie-style so far, but I'd like to try it in different positions."

Ashleigh

London, England

Office Worker
Age: 28
Born: September 4
Ht: 5'6"
Wt: 135 pounds
Bras: 36C
Panties: Lace
Anal: Enjoy it more each time
BJs: Swallow
Masturbate: Not very often

You've seen Ashleigh before in our mag and on our website. This is her third appearance in *NN*. She first sent us pictures after her boyfriend left her to go to Australia. Then, years later, she sent us pics she took with a new guy. She's now happily married, but that's not stopping her from showing off her hairy blonde pussy!

Welcome Back
"Dear hubby found out about my amateur porno past. Instead of getting jealous, he got turned on! He suggested that we send in these pictures for old times' sake. I'm thrilled to be back!"

Aria

Clearwater, Florida

Student
Age: 20
Born: December 2
Ht: 5'2"
Wt: 107 pounds

Bras: 34A
Panties: Not normally
Anal: I like it
BJs: Swallow
Masturbate: Yes

"I used to play softball and volleyball. I did cheer in high school, too," Aria told us. "I like to keep fit, but now that I spend all of my time in classes, that usually means that I go swimming at the beach. I love it out there. If I could, I'd like to live on an island and spend all day fishing and swimming. A perfect date to me would be having a picnic on the sand, going for a dip, and then fucking on a blanket underneath the stars while the water laps up on our feet. I've done all of those things before, but not at the same time."

"I like older guys, but not if they're too much older. I think 40 is the cutoff. One time, this older guy was flirting with me and offering to buy me drinks at a tiki bar even though I was probably around 19 at that point. He told me, 'Just because there's snow on the roof doesn't mean that the fire is out!' That stuck with me. He was so funny, I ended up jerking him off a little bit on his boat, but we didn't fuck. A little bit of confidence will take you a long way in life!"

Get Behind Her!
"My favorite body part would have to be my butt. I have small tits, which I like, but I love showing off my ass in little short shorts."

Charity

Durham, North Carolina

Gym attendant
Age: 18
Born: November 17
Ht: 5'11"
Wt: 120 pounds
Bras: 34C
Panties: Thongs
Anal: Licking and fingering only
BJs: Usually spit
Masturbate: About once a week

"I want to be a personal trainer. That's my goal. I think modeling will help me get some exposure," Charity explained to us. "I wasn't planning on doing nudes, but you guys seem nice. I hope my family doesn't see this!"

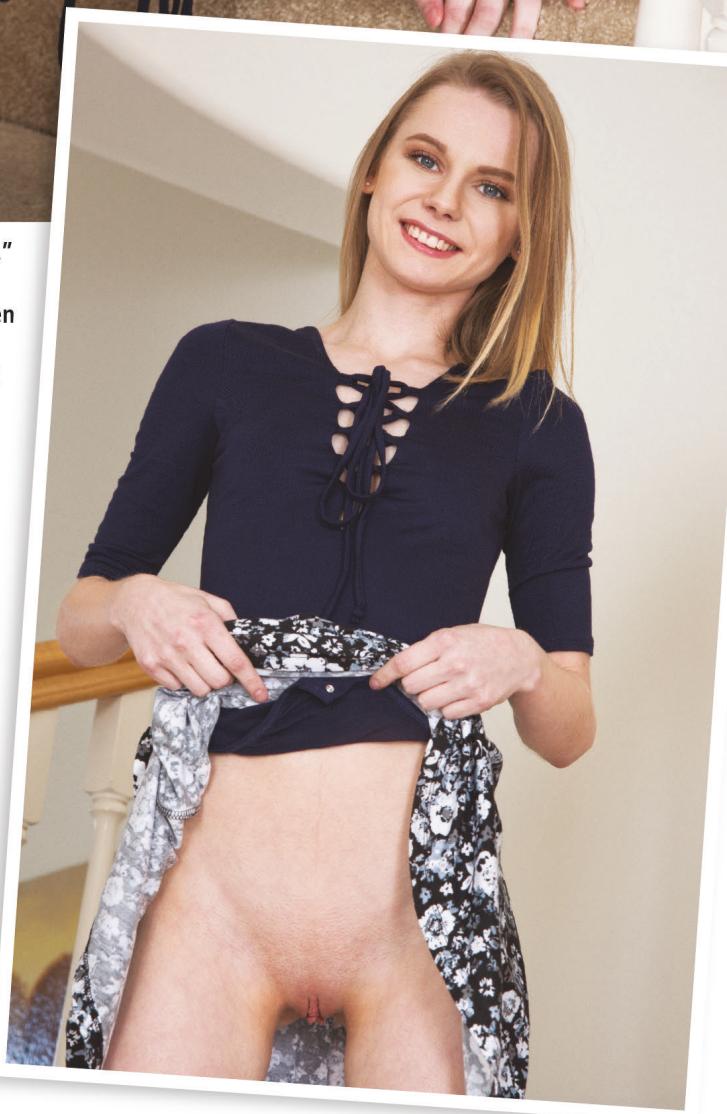
Six-Footers Line Up
"I've never dated a taller guy. I really want to, but all the good tall guys are taken! Just once, I'd like to 69 with a guy and have us line up. I'd also like to do that move where the guy picks the girl up and fucks her."

Catarina

Kansas City, Missouri

Student
Age: 20
Born: September 13
Ht: 5'2"
Wt: 95 pounds
Bras: 32A
Panties: Booty shorts or thongs
Anal: No thanks
BJs: Swallow
Masturbate: Sometimes

"I was born in Latvia," Catarina told us. "I moved to the US when I was young. I still have my accent, but I speak English better than anybody I went to school with! I was a good student. I always got good grades. I had a lot of fun with my friends, and I dated a lot, even though the boys at my school were lame. I lost my virginity to my ex-boyfriend. The first time wasn't good, but we eventually found our groove in the back seat of his sports car. We didn't have a lot of room, but we made it work!"



Start Your Engines
"After my high school boyfriend got me into sports cars, I bought myself a Camaro. I love driving fast and modifying my car. Guys are always surprised to see a little blonde girl torquing away under the hood!"

Erin

Las Vegas, Nevada

Student
Age: 21
Born: March 5
Ht: 5'1"
Wt: 115 pounds

Bras: 34C
Panties: Whatever is cute
Anal: I love it
BJs: Swallow
Masturbate: Of course

Innocent girl-next-door Erin looks like she doesn't have any secrets. She appears to be your average, free-spirited hipster with a beautiful smile and wide, doe eyes. But behind those eyes lies the mind of a pervert. "Me and one of my exes went to a swingers club, and we were involved in an orgy. After that, we went to this place called the fish bowl room with three other guys."

"They call it the fish bowl because all of the walls are made of glass, so everybody in the club could see us. I smeared cake on my ass and they all ate it off of me. Of course, we fucked after that."

Just a Normal Girl

"I dress like a normal college girl," Erin told us. "I usually wear stuff that shows off my figure--usually it's sandals, heels, a skirt or short shorts. I'm attracted to manly men. If a guy is a biker, or dresses like a lumberjack, I'm in."

Lana

Manchester, England

Student
Age: 21
Born: December 18
Ht: 5'3"
Wt: 120 pounds
Bras: 34B
Panties: Lace usually
Anal: Maybe in the future
BJs: Swallow
Masturbate: On rare occasions

"I'm in uni [college], so I'm rather broke at the moment," Lana told us in a phone interview. "So I had my boyfriend send in these photos of me for the pay-check. I wanted it to be special, so we did our photoshoot in his parents' flat while they were away on holiday. Afterward, we shagged on their bed! These pictures acted as a form of foreplay."

We Enjoy it Very Much
"I was a gymnast when I was younger, but I had a knee injury. I still do my stretches as you can see. My boyfriend loves it when I bend over and he can see my fanny and my arse spread wide open. I hope you do, too!"

about what I did. A few friends tagged along on the trip, and we all booked an Airbnb house with a hot tub, a theater room, and a massive fireplace. My husband is an avid outdoorsman, so he already knew how to ski. On the other hand, I'm clumsy as hell, and I have limited experience with snow. I hung out around the cabin and enjoyed drinking scotch next to the fireplace and reading my book for the first couple of days. On our last day up there, dear hubby finally convinced me to try taking to the slopes. We rented a pair of skis for me, and he dutifully tried to teach me using the hot-dog-to-go, pizza-to-stop method. *Naughty*, let's just say that I'm not a natural. I started getting tired and cranky, and he couldn't understand how I could be so bad at skiing. Eventually, we came to the conclusion that our marriage would be better if we avoided a fight and I just took lessons. He was bummed that he missed spending time on the mountain with his friends, and I was sore, humiliated and ready for the hot tub. But I decided to power through a lesson.

I signed up for the first available instructor; a guy named Ethan. Ethan was a really chill dude. He had an accent that I later figured out was Swiss, and although his body language was precise and swift, he had a very calming way of speaking. He convinced me in a few minutes that I would be a ski-bunny yet! I especially appreciated how focused he seemed to be on teaching me rather than acting like my husband who would have much rather been with his buddies.

Instead of teaching me the basics in the parking lot like my husband, Ethan insisted we head up to the bunny hill. After two runs, he had already taught me how to stand, carve, and look graceful standing up after a fall. He was very physical in his teaching approach. His hands were almost always on my hips, my shoulders, or holding my hands. He would lean in while we were slowly sliding down the hill and whisper words of encouragement into my ear.

After an hour or two, we found

Bras: 36C
Panties: Vicoria's Secret
Anal: Obsessed with it

"I loved high school," teen Harley told us. "It was full of marijuana, best-friends, and pizza! But now that I'm out, I can do whatever I want. And right now, I want to shoot porn, suck dick, have fun and make money."

Although Harley is brand-new to adult modeling, we're sure she's in it for the long haul. "I love being choked and spanked. I enjoy getting tied up and fucked ragged. I can squirt, and I fucking love anal sex."

That's a Hot Facial

"One time, I was eating out this chick in the park and I made her cum so hard with my tongue and my fingers, she squirted all over my face and on the picnic table we were fooling around on."

ourselves on the chairlift to do some actual skiing. I was nervous, but Ethan kept the conversation light enough to keep my mind off of hurtling down a mountain. He said he was from Switzerland. He was only five years younger than me and my husband, but he looked at least a decade my junior even though I work out at least four times a week. It had been a long time since I had a date with someone other than my husband, and that is what the whole day was beginning to feel like.

When we were finished with our runs, I was feeling wiped out. I checked my phone in the ski lodge and found a voicemail from dear hubby saying that he and his buds had decided to go to a different ski run and they were going to stay for some night sessions. My legs were sore, my arms were sore, and I needed that hot tub ASAP. I don't know what came over me, but I invited Ethan to join me. He was handsome enough that I knew that I wasn't the first woman to invite him for a soak, so I was surprised when he immediately told me that he would love to.

Back at the house, I offered him a beer and went into the bedroom to put on my bathing suit. As I was putting on my top, I realized that Ethan didn't have anything to wear in the tub. He assured me that his boxers would be fine if I didn't mind, and I have to tell you, I certainly didn't mind. I wanted to see the warm water soak his underwear. I wanted to see the outline of his cock. I was getting flustered and confused about my feelings. Was I really doing this? I was suddenly hyper-conscious about the small bikini I was wearing. I bought it to excite my husband, but now I was excited about it being seen by another man. As I walked to the tub, I felt my pussy juices start to seep into my bikini bottoms. I needed to get in the water fast.

"You look amazing," Ethan told me as I slid a foot into the tub. I froze, gazing down at him already lowering his body into the water. His arms and chest looked as if they were chiseled from stone. Oh my fucking god, I thought. He looked like a fucking Greek statue. Suddenly, the bubbles stopped blowing. I stood up and leaned over to turn them on. I knew that my bottoms had ridden up between my ass cheeks. I knew that he was staring. I didn't care. If my pussy was moist before, seeing his perfect body made it start to pour fuck juices. I settled back into my seat, and Ethan slid next to me. His hands made their way to my shoulders. "I'll bet you're sore," he cooed. "Let me help you out." I turned my back to his and nestled into his lap. I could feel his cock growing under my ass as he rubbed my sore body. I stopped talking as the tension between us grew almost as large as his dick. "When will your husband be home?" he asked me. "Not until after the runs close, I'm sure," I breathed heavily. Ethan's hand moved from my shoulder to my neck, turning my head around so that he could kiss me. In that moment, the thought that I could get away with innocent flirting left me. I knew I was about to be unfaithful.

My body was engulfed in lust as his lips pressed against mine. His tongue swiftly danced against the

RUBY

LONDON, ENGLAND AGE 20

BUSH BABY

Ruby and her hairy pussy are only gracing our pages because of one of you fine readers. "I had never bought a gentleman's magazine before," young Ruby told us. "But I was back at my friend's flat and her boyfriend had a copy of *NN* on their nightstand. She acted embarrassed, but I was intrigued, so I nicked it. I must have cum a million times looking at all the lovely ladies in there."

"I'm not one to watch porn, so I had never seen another twat up close before. I was relieved to see another hairy girl in your book. I always thought that being hairy meant that blokes wouldn't be interested in me. I've had men tell me that I should shave, but I feel more comfortable with my pubes. I love how soft they are and how warm they keep my pussy. I don't care what men think!"

We Like You, Too!

"I shave my thighs every once in a while, and I'll use a trimmer to make sure my bush doesn't get out of hand, but I'll never shave it all off. When I look at my pussy in the mirror, I'm happy with the way I look."

Persia

Swindon, England

Unemployed
Age: 18
Born: November 20
Ht: 5'1"
Wt: 90 pounds
Bras: 32A
Panties: I'm not picky
Anal: Finger me while we fuck
BJs: Swallow
Masturbate: A few times a week

Persia is a pint-sized cutie, but her tight pussy has big, suckable labia. Persia has strong feelings about that. "I rather like my labia. For a long time, I was self-conscious because I thought blokes preferred innies. You know what I found out after I shagged a dozen-or-so men? Guys don't care about what a pussy looks like. They just want to get their cocks wet, so I stopped caring about it."

Wall Banger

"Because I'm so small, I can get picked up and fucked in any position if the bloke is strong enough. I love when I get pinned up against a wall and a guy really starts letting me have it."

Tiffany

Cornwall, England

Photographer
Age: 20
Born: January 30

Wt: 128 pounds
Bras: 34D
Panties: Thongs
Anal: Of course
BJs: Swallow
Masturbate: Yes

"My old school uni fit," Tiffany exclaimed excitedly to us when we asked her what inspired her photo session with her boyfriend. "He's been up my arse about taking naked pictures for a few months, so when he suggested that I put on my school girl uniform, I knew what he was up to. I told him that if my skirt still fit over my arse, I'd let him shoot me. Guess what! It fit even better than when I was a skinny, little twat in secondary school. So I ponied up and let him take these pictures of me."

"I was the one who suggested that we send the photos in to you lot. After I found out that he showed his mates, I figured we might as well let the whole world see me stark naked. Honestly, it was a bluff. I didn't think he would go through with it, but here we are. I hope your readers go gentle on me!"

She's So Edgy

"I pierced my nipple when I was much younger. I thought it looked edgy. I had no idea it would make me so horny every time it rubbed against my bra!"

Aurora

Salt Lake City, Utah

Waitress/Student
Age: 19
Born: July 1
Ht: 5'6"
Wt: 138 pounds

Bras: 34D
Panties: Usually lace
Anal: Only when I'm horny
BJs: Swallow
Masturbate: Sometimes

"I grew up in a Mormon household, but we left the church when I was in middle school," Aurora told us. "All of a sudden, we started branching out and experiencing all of these new things. I learned on my own that sexuality isn't necessarily a bad thing, although I still have hangups about it. My boyfriend is trying to get me to branch out and try new things. That's why we sent these pictures in to you."

More the Merrier
"I'm definitely nervous about millions of people seeing me naked, but I'm excited at the same time. It's empowering to know that guys are going to jerk off to these pictures, thinking about fucking me."

inside of my mouth, and the taste of hot whiskey mixed with my yearning for him inside of me. I turned and straddled him, his bulge ground against my pubis. I ran my hands over his body as he pulled the string behind my back, causing my top to fall into the water. My breasts were revealed to him, and he lowered his mouth to my hard nipples. He sucked and tongued them, burying his head into my chest. My hand lowered to his enormous bulge. I slipped my fingers under his waistband and pulled his cock out of their prison.

He was huge. My husband prides himself on being above average, but Ethan's member put his to shame. He saw the look of shock on my face and smiled. He moved to the rim of the hot tub, his gigantic cock bobbing in the crisp air. I took my position between his knees and wrapped my lips around his bell end. I was salivating for him, and my spit ran down his shaft. I tried to take more than a few inches into my throat, but he was too big. Still, he seemed to enjoy my efforts. I reached under his thighs and took his balls into my hand. They were warm, and I kneaded them lightly, causing his cock to shoot precum onto my tongue. With his juices and my spit, I was able to take about half of his shaft into my mouth before choking. Ethan reached down and pulled me out of the water. We switched positions and he pulled off my bikini bottoms. He set to work kissing and sucking shaved labia. I trimmed myself in anticipation of my husband, but now another man was appreciating my efforts. Ethan masterfully licked my pussy from top to bottom, tonguing my hole and then sucking my clit. He was magical. Then he started to work a finger inside of me. Then two. He commented on how wet I was, then lapped up my juices while moaning. I tried to hold back from orgasming, but it was no use. My thighs pressed against his ears as he tongued me to a powerful, quaking cum.

I grabbed his hand and led him into the bedroom. He threw me on the bed and lay on top of me. My legs wrapped around him, his glistening

cock rubbed against my still shaking lady bits. As he entered me, I took a deep breath in. It wasn't pain I was feeling, it was a stretching, aching need to be filled with him. He inched forward bit by bit until as much of his member that could be in me was. His hips began to sway, and I was wetter than I'd ever been before. A second wave of orgasms began to take hold in my sternum, radiating out pleasure to my extremities. My toes curled involuntarily as the tip of his dick massaged and bounced against my G-spot. I felt his cock get even harder, stretching me even further, as I allowed myself to go limp with orgasming pleasure. He kept rocking against my hips, not allowing me to stop cumming. I rode the wave for at least a minute until my soaking wet pussy coaxed out his cum. Every muscle in his body flexed and tensed. His hands reached out to my sensitive tits and squeezed. He exploded inside of me with the force of an avalanche. He screamed as his stream flooded my cunt, jizz spilling out and onto the bed.

We lay there for several minutes. I was so satisfied. I tried to make myself feel bad about what I had done, but my mind wouldn't allow it. I was ecstatic, and I couldn't feel bad about experiencing the best sex of my life. Ethan agreed that he had better hightail it out of there before my husband came back, so we kissed and he made his exit. I showered, did the laundry, and made sure to wash Ethan's whiskey glass so it appeared that I was having a drink by myself to unwind. When my group finally came home, I kissed my husband. I love him, and what I did doesn't diminish that love, but I wouldn't trade my day with Ethan for anything.–*D.R., Washington* NN

Do you like pint-sized teens? Do you want to fuck a girl who can suck a cock the width of her wrist? Would you give anything to lock down a piece of ass who is bisexual, willing to involve you in a threeway, has a crush on that dumpy dude Seth Rogen, and describes anal sex as "very nice?"Meet Lucie. She's 19, grew up on a reservation in Nevada, and is willing to try anything once.

"I got into a lot of trouble in high school," Lucie told us. "I was always playing pranks on my friends and hooking up with guys. I lost my virginity in a park bathroom across the street from the school and totally got busted!"

How Much Can She Fit?
"When I was younger, I would show off to all of the guys on my rez that I can eat an entire cupcake in one bite. It wasn't until I was a little older that I realized they were all fantasizing about me deepthroating their cock when I did that."

"I'm into BDSM sex and I love having my asshole licked and fucked while I'm tied down. It's liberating to not have any power and just allow myself to feel good and cum as much as possible. It's easy for guys to take control of me because I'm so small, so I guess it's a good thing that I'm a submissive in the bedroom! Your stud showed me a good time. I'm glad I called you. I liked the way he kept spreading my legs for the cameraman to get a good shot of my pussy. I felt exposed in a good way.
